FEED the FASTING

'...Allah has obligated them to pay charity from their wealth (i.e. Zakat), to be taken from the rich among them and then distributed to their poor...' Prophet (s)

After the devastating 2020 Karachi floods, families queue to receive Ehsaas aid

ZAKAT

Zakat is the third of the five basic pillars of Islam, Zakat is primarily an act of worship. The Arabic word 'Zakah' literally means purification, growth, blessing and appreciation.

Zakat is a compulsory religious duty conferred by Allah (swt) upon all adult Muslims whose wealth exceeds the prescribed limit. If a person's wealth exceeds that limit, they are required to pay the rate of 2.5% of total income or wealth annually for the upkeep of the poor and the needy.

Why give it?

Those who are fortunate enough, are required to look after their less fortunate brothers and sisters. By paying Zakat, we acknowledge that our wealth is in fact not our own but a blessing to be shared and an important act that cleanses our hearts against selfishness and greed.

Who benefits?

At Ehsaas, your Zakat is used in many of our life-changing projects and helps: *The Poor, The Needy, Those in Debt, Those in the Cause of Allah, The Wayfarer, Those in Captivity, Those Whose Hearts have to be Reconciled & the Administrators of Zakat*

Our Policy

At Ehsaas, thousands of people trust us with their Zakat and we take that very seriously and do our best to ensure the right beneficiaries receive it.

As such, we hope that you will consider us when giving your Zakat.

Your Zakat helps many of our life-changing projects.
